OUR LEGACY

Major Milestones

A decade and a half of redefining wellness through ethical foundations, community expansion, and a relentless commitment to holistic health across the nation.

2009 — 2014

Foundation Phase

Built upon a bedrock of transparency and ethical sourcing, we spent our early years establishing the core values that define VCN today. Every product was a promise made and kept to our first community members.

Ethical Roots

Heritage

2014 — 2019

Expansion Phase

Our movement took flight, reaching the corners of India from bustling metros to quiet towns. We scaled not just our distribution, but our impact, introducing modern wellness to millions of households.

Pan-India Reach

Scaling Impact

2019 — 2024

Transformation Phase

Growth in people and leadership became our focus. We evolved into a lifestyle brand that empowers its partners and employees, fostering a culture of innovation and conscious leadership.

Conscious Culture

Leadership

2024 — 2026

Acceleration Phase

We are currently scaling our systems and brand to a global standard. This is the era of digital integration, advanced science-backed formulations, and a brand presence that inspires worldwide.

Global Systems

Innovation

Future Vision

Our horizon is limitless. We aim to reach more lives than ever before, creating a global ecosystem where modern wellness is accessible, ethical, and transformative for every individual.

Global Reach
